

MOSCOW CITY

DOING BUSINESS IN MOSCOW

INVITATION

Dear Colleagues,

The Moscow City Government invites you to participate in a business round table “**Doing business in Moscow**”.

Goal:

Holding talks with the leadership of the Japanese companies concerning their participation in the investment projects being implemented in Moscow.

Attracting of Japanese investment to Moscow economy.

Encouraging development of Japanese business in the city.

Themes:

The event will deal with issues of organization and support of foreign business in Moscow, as well as attraction of foreign investment in construction of the city infrastructure, reconstruction of medical and educational institutions, development activities and development of the city industrial estates, parks and recreation facilities.

Event Format:

Representatives of Moscow executive authorities and Moscow business will present the Japanese business community investment opportunities of the city, explain the mechanisms for implementation of specific investment projects in the city, and inform about tax, property and other arrangements to support and stimulate production and favorable conditions for organization of business.

Interested investors will meet with the members of the Moscow delegation for business discussions concerning points of interest in the format of a round table and bilateral meetings.

When?

Monday, October 27, 2014. 10.00–12.00, Registration starts 9.30.

Venue: The Ritz-Carlton Tokyo, Grand Ballroom 1

Address: 9-7-1 Akasaka, Minato, Tokyo Prefecture 107-6245

All interested are welcome. Participation in the event is free of charge.

For registration please complete the registration form and return it by e-mail to the Moscow City Government.
