

## アゼルバイジャンにおける再生代替エネルギー分野の入札公示について

2011年3月

社団法人ロシアNIS貿易会

在アゼルバイジャン大使館より、同国産業エネルギー省が再生可能・代替エネルギー分野の戦略策定のコンサルティングに関する入札を公示したという情報を受けましたので、下記、ご参照ください。なお、昨年4月に開催された日アゼルバイジャン経済合同会議では、両国間の取り組みの1つとして同分野が取り上げられました。

The Azerbaijani Industry and Energy Ministry announced a tender in two lots in the development of alternative energy sources, the official press reported.

<<http://en.trend.az/capital/energy/1837901.htm>>

The first lot includes the preparation of methodological instructions for determining the strategic direction and study of investment and energy potential of alternative and renewable energy resources of the State Agency for Alternative and Renewable Energy.

The second lot provides for the acquisition of consulting services for the purchase and installation of solar power plants, PV-modules and stations operating on biogas.

Interested should submit the application and other documents until 17:00 on April 20. Bids must be submitted to the Energy Ministry until 17:00 on April 28, and bids will be opened at 11:00 on April 29. For more information, please contact: **(+994 12) 493 46 33, 493 72 74.**

### **A TENDER IS ISSUED FOR CONSULTANCY ON PREPARATION OF ALTERNATIVE AND RENEWABLE ENERGY-RELATED INSTRUCTIONS**

**BAKU, 1 MARCH, AZER PRESS.** Azerbaijan's ministry of industries and energy issued a tender for consultancy covering the preparation of the methodological instructions related to the alternative and renewable energy resources; there are two lots: the first lot is consultancy on preparing the methodological instructions to determine the strategic action areas of the state agency for the alternative and renewable energy resources as well as on identification of the investment and energy potentials of such resources, and the second lot is consultancy to support the purchase and installation of equipment at the small and medium-scale hydro power stations, PV modules and biogas powerhouses.

The admission fee is AZN 200. The companies wishing to bid in the tender must do so by 28 April; all bids must be accompanied with the 1% bank guarantees. The bids will be opened on 29 April.
